

# Royal Palm Hotel + Resort, South Beach, Miami, Florida, USA

## **"RIPPLE EFFECT"**

*In September 2015, I traveled to Miami, South Beach for design meetings. From that trip I was commissioned to produce 150 original pieces of art for the Royal Palm Hotel & Resort. A luxury brand with Starwood Hotels & Resorts.*

Below are the original pieces I produced as well as pictures of how they were installed in the hotel.

## PHASE II

In 2016 I was commissioned to create two large pieces of art for the hotel lobby. They are both 4' x 4' and are just in front of the hotel front doors.
