Large Daisy Knitting Flower Pattern

For this daisy, each petal is made separately. Have fun with this pattern, All flowers can be different sizes!

Step 1 - How to Knit a Flower Petal

CO 4 sts.
P4. Kfb into each st. (8 sts). P8.
*K2, kfb, repeat, k2. (10 sts)
P 10 sts. K 2 tog 5 times. (5 stitches) P5.
Cut yarn and leave a long tail.
Thread the tail through the 5 remaining sts. Fasten off tightly and weave in ends.
Make 5 of these petals.
Sew the side edges of each petal together with a whip stitch.

Step 3 - Sew the Flower Together

Cut a length of yarn approximately 12” (30cm).
Thread this yarn through the base of all the petals. Pull the yarn so that the petals group together to form a circle.
Join the first and last petals together with a backstitch.
Secure your yarn and weave in the ends.

Step 2 - How to Knit Flowers - Center

You can use a small button as the center, or knit a center:

CO 3 sts. K 3 sts.
Kfb of first st, k1, kfb into last st. (5 sts).
K2 tog, k1, k2 tog. (3 sts).
K 3sts.
Cut yarn, leaving a long tail.
Pull the tail through the 3 sts, secure firmly, and use the tail to sew the center onto the petals.
