SIMPLE FLOWER PATTERN - CROCHET

Abbreviations Used in This Pattern

This crochet pattern using common crochet abbreviations and basic crochet stitches. These are the abbreviations to expect in the pattern:

beg = beginning
ch = chain
ch-3 = 3 chain stitches
dc = double crochet
sc = single crochet
sl st = slip stitch
st = stitch
[ ] = a set of instructions within the pattern that should be repeated

Notes: The pattern instructions tell you to crochet into the ring. If you have difficulty finding the center of the ring, carefully roll your finger around the chain. Your hands will feel the gap even if your eyes don't spot it at first. Work your stitches into this space.

What You'll Need:

Equipment/Tools

US H/8 (5.0 mm) crochet hook
Tapestry needle
Scissors

Materials

Small amount of DK wt yarn

Instructions

Start With a Ring

Ch 6. Join with a sl st to form a ring.

Single Crochet A Round

Work 12 sc sts into the ring. Join the work to the beg of the round with a sl st.

Make Petals

*Ch 3, work 2 dc sts in the sc st at the base of the ch-3, ch 3, sl st in same sc st, [sl st in next st] twice; rep from * six times, for a total of six flower petals.

Finishing

Leaving a six inch tail, cut yarn and pull it through last stitch. Weave in ends using a yarn or tapestry needle.
